Celebrating our NGC Youth Elite Achievers

GLORY AT CARIFTA GAMES 2019

The achievements of our NGC Youth Elite athletes at the CARIFTA Games 2019 have made Trinidad and Tobago soar with pride.

As members of the NGC Youth Elite programme, these athletic achievers are part of a cadre of 10 promising junior athletes between the ages of 15 and 20 who will form the next generation of elite athletes and national ambassadors.

The programme aims to help athletes achieve excellence in track and field, while underscoring the importance of a solid academic foundation and the development of other life skills.

Through the Youth Elite Programme, NGC is very proud to help develop our extraordinary athletes, and looks forward to supporting their continued success on the world stage.
