### Media Release

#### Disruption in Power on 22<sup>nd</sup> December 2021

##### 22<sup>nd</sup> December 2021

The National Gas Company of Trinidad and Tobago Limited (NGC) notes that several areas throughout Trinidad experienced a brief disruption in power at approximately 11:27am on 22<sup>nd</sup> December 2021.

NGC was conducting works at the Union Gas Receiving Facility on the Union Industrial Estate. During the activity, the supply of natural gas to Trinidad Generation Unlimited (TGU) was temporarily disrupted.

NGC restored the natural gas supply to TGU within 30 minutes and the disruption was resolved at 12:15 pm.

NGC remains committed to its customers and maintaining the integrity and reliability of its infrastructure.
