Attention General Public

Routine maintenance services on 2-inch Kiss gas line at the Chaguanas Main Road Crossing

The National Gas Company of Trinidad and Tobago Limited (NGC) advises that it will commence routine maintenance services on a portion of its 2-inch diameter gas pipeline located north along the Solomon Hochoy Highway in the vicinity of the Chaguanas Main Road.

The flow of normal traffic along both lanes of the Chaguanas Main Road in the vicinity of the south-bound overpass, will experience some disruption. All motorists and pedestrians in the area are urged to use caution. The Trinidad and Tobago Police Service (TTPS) will be present to assist with traffic management.

Details of planned activity are as follows:

Duration of Works: Sunday 15th May 2022

**THIS ACTIVITY IS SCHEDULED TO TAKE PLACE
FROM 1:00 P.M.**

NGC wishes to assure you that these works will be conducted with public safety as its highest priority. Every effort will be made to minimise inconvenience to the general and motoring public.

All works will be conducted in accordance with NGC's Environment, Safety and Security Policies and Procedures, as well as all applicable codes and standards.

Should you have any concerns, please contact:
NGC's Control Room at 800-4GAS (4427).
