# Attention General Public

The National Gas Company of Trinidad and Tobago Limited (NGC) advises that it will commence work to divert a segment of its existing 16-inch low-pressure pipeline located in Dock Road and Wrightson Road, Port of Spain.

Details of the planned activity are as follows:

- Laying pipeline from the International Waterfront Metering Station and traversing Dock Road in an easterly direction
- Crossing Wrightson Road and tying in to the existing two-inch diameter pipeline branch near Wrightson Road
- Decommissioning and replacing the Radisson Hotel (RH) metering station

### Schedule of Works

Start: Tuesday 21st June 2022

End: Monday 31st October 2022

Hours of Work: Monday to Saturday, 7:00 am to 5:00 pm

The Trinidad and Tobago Police Service (TTPS) will be present to assist with traffic management.

NGC wishes to assure you that these works will be conducted with public safety as its highest priority. Every effort will be made to minimise inconvenience to the general public.

All works will be conducted in accordance with NGC's Environment, Safety and Security Policies and Procedures, as well as all applicable codes and standards.
