NGC Bocas Lit Fest: Best Social Investment Project Award 2022

The Energy Chamber of Trinidad and Tobago awarded its prestigious Annual Award for Best Social Investment Project to NGC Bocas Lit Fest – the Caribbean's annual celebration of our literary arts and culture – deemed one of the world's top literary festivals by Penguin Random House.

The National Gas Company of Trinidad and Tobago Limited (NGC) has been a deeply involved supporter of the Bocas Lit Fest since its inception in 2011, and title sponsor since 2012. We are proud to be part of an initiative that has created more space on the world's stage for the Caribbean's writers, storytellers, poets, and dramatists. The festival marks NGC's contribution to the preservation and growth of our literary and cultural landscape, and we are committed to a future of dynamic and meaningful work with the Bocas Lit Fest, as well as with and for the people of Trinidad and Tobago, and the wider Caribbean.
