Pipeline works at Beetham Highway

The National Gas Company of Trinidad and Tobago Limited (NGC) would like to advise the public of the planned continuation of construction works on Phase 3 of its project to divert a segment of its existing 16-inch low-pressure pipeline located at Beetham Highway. NGC's 16-inch pipeline project involves upgrading services of low-pressure customers by switching to a higher-pressure pipeline operating system.

The works are located approximately 0.7 km after the Beetham Overpass, heading in an easterly direction, along the Beetham Highway.

Works will include in-service welding on the 16-inch line.

Start: Wednesday 23rd November 2022

End: Wednesday 23rd November 2022

**THESE ACTIVITIES ARE SCHEDULED TO TAKE PLACE
BETWEEN THE HOURS OF 9:00 A.M. AND 4:00 P.M.**

A comprehensive traffic management plan will be implemented, and the Trinidad and Tobago Police Service (TTPS) will be on hand to assist with traffic management. All activities will be conducted in accordance with NGC's Environment, Safety and Security Policies and Procedures, as well as all applicable codes and standards.

Should you have any concerns, please contact:

NGC's 24-HOUR EMERGENCY HOTLINE: 800-4427 (800-4GAS).
