

In Recognition of Connections Forged

The Chairman and Board of Directors of The National Gas Company of Trinidad and Tobago Limited (NGC) congratulate Mr. Mark Loquan, President, NGC, on receiving Chile's Silver Medal of Recognition. The award was presented to Mr. Loquan by Chile's Ambassador to Trinidad and Tobago, His Excellency Juan Aníbal Barria García, Ambassador Extraordinary and Plenipotentiary, on behalf of the Chilean Ministry of Foreign Affairs. Mr. Loquan received the Silver Medal of Recognition at a luncheon hosted by His Excellency at the Ambassador's residence on December 8th, 2022.

This prestigious honour was bestowed in recognition of Mr. Loquan's efforts to strengthen the bilateral relationship between Trinidad and Tobago and Chile, especially along the lines of energy efficiency and green initiatives.

Commending Mr. Loquan, the Chilean Ambassador praised the NGC President's leadership approach: one driven by a green future. He also acknowledged Mr. Loquan's effortless ability to balance his passion for culture, music and the arts, with his world of work in energy, particularly in leading NGC in efforts to achieve sustainability in a transitioning energy environment.
