## **Attention General Public and Motorists**

### **Notice of Pipeline Repair Works along the Priority Bus Route between Mt Lambert and the Bermudez Compound**

The National Gas Company of Trinidad and Tobago Limited (NGC) will commence repair works on its 3-inch natural gas pipeline to the Bermudez factory. The line runs east to west along the northern verge of the Priority Bus Route. The repair works will take place off the Priority Bus Route between Mt. Lambert and the Bermudez Compound.

Works include, but will not be limited to the following:

- Excavation activity to unearth and repair the line.

### **Schedule of Works**

**Sunday 18th February 2024**  
**Hours of work: 6:00 am to 8:00 pm**

These works represent no danger to the public. NGC's personnel will supervise all works, and these will be conducted in accordance with NGC's Environment, Safety and Security Policies and Procedures, as well as all applicable codes and standards.

As part of our stringent safety protocols, the Trinidad and Tobago Fire Services (TTFS) will be on site to provide support during these operations.

Should you have any concerns about this project, please contact:

**NGC's 24-Hour Emergency Hotline: 800-4427 (800-4GAS)**
