

# The NGC Group Welcomes

## President Toni Sirju-Ramnarine

The NGC Group of Companies proudly announces the appointment of Mrs. Toni Sirju-Ramnarine as President of NGC Green Company Limited, effective 15 April, 2024. With 30 years in the energy sector, Mrs. Sirju-Ramnarine brings expertise in transformation and talent development.

Formerly VP of Corporate Operations at Atlantic LNG, Mrs. Sirju-Ramnarine led strategic initiatives and established key departments. She played pivotal roles in major projects, including negotiations for the Atlantic Trains 2 and 3 Expansion, and served on the Carbon Reduction Strategies Task Force.

Mrs. Sirju-Ramnarine, a former AMCHAM president and member of the Association of Professional Engineers of Trinidad and Tobago, is dedicated to mentorship, notably through the IADB Women in Leadership Programme.

In her new role, she will spearhead NGC Green's focus on clean energy and energy efficiency, including the country's first industrial-scale solar farm project, a partnership with bpTT and Shell.

The NGC Group warmly welcomes Mrs. Sirju-Ramnarine, wishing her success in her new position.
