Preventative Maintenance – Odourant Refilling and Maintenance Works

The National Gas Company of Trinidad and Tobago Limited (NGC) will be conducting preventative maintenance works on two of its odouriser units.

Sunday 21st April 2024
National Energy Laydown Yard, Rivulet Road, Couva
Trincity Mall Regulator Station

**These activities are scheduled to take place between the hours of
7:00 a.m. and 7:00 p.m.**

All works shall be conducted in accordance with NGC's Environmental, Safety and Security Policies and Procedures, as well as applicable codes and standards.

NGC personnel will monitor these works. These activities may produce a residual, but harmless odour, and pose no threat to members of the public.

We apologise in advance for any inconvenience that may be caused.
