

**THE NATIONAL GAS COMPANY
OF TRINIDAD AND TOBAGO LIMITED**
www.ngc.co.tt

Attention

Residents of Diamond Vale, Motorists and General Public

The National Gas Company of Trinidad and Tobago Limited (NGC) advises that it is continuing inspection of and repairs to its six-inch (6") diameter natural gas pipeline, located in the vicinity of the northbound and southbound lanes of the Diego Martin Highway.

These inspection and repair works are necessary to ensure and restore the integrity of the pipeline in accordance with the required codes and standards, as part of the Company's risk and safety management strategy for gas pipelines.

**Works Continue on both
Northbound and Southbound Lanes
Completion Date: Midnight Sunday 19th May**

These activities may produce a residual odour that is harmless to the public.

Traffic management will be facilitated by the Trinidad and Tobago Police Service.

NGC wishes to assure you that all works will be conducted with public safety as its highest priority.

All activities will be conducted in accordance with NGC's Environment, Safety and Security Policies and Procedures, applicable codes and standards.

Should you have any concerns, please contact:
NGC's Control Room at 800-4GAS (4427).
