

50 YEARS OF IMPACT: REFLECTING ON OUR CSR JOURNEY

For five decades, our commitment has gone beyond energy. From the arts and education to sport and environmental preservation, we have invested in people, empowered communities, and championed a more sustainable Trinidad and Tobago. As we celebrate the 50th anniversary of the NGC Group of Companies, we honour the milestones that have shaped our legacy of corporate responsibility — and reaffirm our dedication to building a better future.

At NGC, Corporate Social Responsibility is a core value that defines who we are. As a responsible state enterprise and committed corporate citizen, we take pride in leading and innovating in the CSR space, creating an impact that delivers value for both shareholders and stakeholders — you, the citizens of Trinidad and Tobago.

ARTS AND CULTURE

This involves the support of impactful arts and culture performance groups and initiatives, such as *literary festivals; film festivals; Sanfest; steelpan sponsorships; tassa projects and music scoring.*

EDUCATION

NGC is heavily involved in education, particularly in promoting energy awareness and literacy. Programmes include the *Climate Adaptation and Resilience Portal (CARP); CariGreen; Energy SmartTT App; Inspire-2-Achieve (I2A); Adult Literacy Tutors Association (ALTA) and the Trevor Boopsingh Endowment Fund.*

SPORT

NGC has been doing its part to ensure that our young athletes can access opportunities for development in various key disciplines. Programmes include partnerships with the *National Association of Athletics Administrations of T&T (NAAATT) and the Youth Elite Programme; Secondary Schools Football League (SSFL); Trinidad and Tobago Football Association (TTFA); along with Track and Field District Games; Junior Commonwealth Games and CARIFTA Games.*

EMPOWERMENT AND YOUTH DEVELOPMENT

NGC is committed to empowering the next generation through initiatives that inspire growth, innovation and leadership. Programmes include *No Child Left Behind; and partnerships with the Youth Training Employment Partnership Programme (YTEPP); Police Youth Clubs (PYCs) and other capacity building initiatives.*

ENVIRONMENTAL PRESERVATION

We champion sustainable practices and initiatives that safeguard the natural environment and energy efficiency. These include the *Small Steps To Change TV series; Green Screen Environmental Film Festival; environmental programmes; reforestation programmes; mangrove rehabilitation and carbon sequestration.*
