Attention Motorists and General Public

Transportation of 56-inch valves

The National Gas Company of Trinidad and Tobago Limited (NGC) will transport two, 56-inch valves via heavy vehicles, from Score Valves (Trinidad and Tobago) Limited, Bejucal Road, Cunupia, to NGC's Laydown Yard, Factory Road, Point Lisas. The valves will be transported by Sammy's Multilift Services Limited (SMSL).

Date: Thursday 20th August 2026

Hours of Activity: 10:00 a.m. to 1:00 p.m.

Major Thoroughfares:

Bejucal Road, Cunupia - Uriah Butler Highway - Sir Solomon Hochoy Highway (southbound) - Preysal Overpass - Rivulet Road - Factory Road, Point Lisas.

The Trinidad and Tobago Police Service will accompany the convoy.

While motorists and pedestrians should proceed with caution, NGC assures the public that this activity will be conducted in accordance with NGC's Health, Safety, Security and Environmental policies and procedures, as well as applicable codes and standards.

All efforts will be made to minimise any inconvenience to road users.

Should you have any concerns, please contact:

NGC's 24-HOUR EMERGENCY HOTLINE: 800-4427 (800-4GAS).
